Redbourne Parish Council invite residents to our meeting on 3rd September 2024 in St Andrews church @18:30 to hear your opinions and comments regarding the current planning applications submitted by Welton Aggregates for a further

Extension to the Quarry And to create a Concrete Batching Plant.

Planning applications can be found on the North Lincolnshire Planning Portal: <https://apps.northlincs.gov.uk/>

[Quarry Extension - PA/2024/740 \(open for comments\)](#)

[Concrete Batching Plant - PA/2023/1218 \(closed for comments\)](#)
current status: **DECISION NOT YET DETERMINED**

To include comments for both the “retention” of a Concrete Batching Plant and Quarry Extension click [here](#).

We would encourage residents to make their comments, opinions or concerns known on the planning portal, the Planning Officers should take all comments into consideration when making their decisions.

It is important that we as a community make our voice heard
